of Sacramento

giving hearts a home.

The Heart Gallery of Sacramento Gala is a free event. Throughout the event, guests will enjoy savory appetizers and wine as they hear directly from adoptive parents, agency professionals, and child advocates regarding the benefits of youth permanency and adoption.

The mission of the Heart Gallery of Sacramento is to improve the lives of children in foster care by promoting permanency and adoption primarily through a collection of portraits of children waiting for a family to call their own.

Learn more about adoption from the following agencies:
